

TUMIEE MEETING

Meeting type: Working Group meeting

Meeting venue

Main ('Giorgos Lianis) Amphitheater of FORTH:
Foundation for Research and Technology-Hellas
(FORTH), N.Plastira 100, Vassilika Vouton,
Heraklion, Crete, Greece

Call for contributions

Deadline: 22 May 2022

Organising Committee:

George Tsibidis (Local Organiser), tsibidis@iesl.forth.gr

Antonio Rivera (TUMIEE Chair), antonio.rivera@upm.es

Eduardo Oliva (TUMIEE Scientific Representative), eduardo.oliva@upm.es

Dusanka Ljumovic (FORTH), dusanka@med.uoc.gr

Aims of the Meeting

It is intended to be a forum for detailed discussion on the three research lines identified within the Action, namely, biotechnological applications, intense laser applications and electron-phonon phenomenology and ways to tackle them by promoting collaborations among researchers from different fields.

Call for contributions

A call for contributions has been launched. Please send your abstract by email to ca17126@industriales.upm.es before 22 May 2022. The abstract should not exceed one page (template attached and in webpage).

Selection criteria

Since the budget is limited, the participation (eligible to be reimbursed) of Action members who can better contribute to this Meeting will be prioritised according to the criteria approved by the Action MC.

The Committee will enforce COST inclusiveness policies. Therefore, Young Researchers & Innovators, ITC, as well as women, to promote and improve gender balance, will be prioritized. In addition, geographical distribution of participants will be considered to avoid underrepresented or overrepresented regions.

Reimbursement of the travel expenses

Participants selected to be reimbursed for their travel expenses must receive an official invitation through e-COST indicating they are eligible to be reimbursed and they must accept that invitation within 2 weeks.

Reimbursements will follow COST rules:

- Long-distance transport expenses: up to 500€ (*). Reimbursed based on invoice/receipt. Participants must choose the most economical means of transportation from their city of affiliation to Crete (round-trip).

(*): If a participant shows, within a reasonable time before travel date that there is no reasonable transport below the cap established, this cap could be waived for the individual participant.

- Daily Allowance: 193 €/day. DA is intended to cover accommodation, meals and local transport expenses (defined as less or equal to 100 km one way). This is a flat rate and no invoice/receipt is required.

For complete information about COST reimbursement rules, please read pages 81-84 of the [COST Annotated Rules](#).
